

THE 5TH CHINA INTERNATIONAL CCUS FORUM

17th May, 2019 Beijing, CHINA

INVITATION

Dear Sir/Madam,

On behalf of CTSA-CCUS, We are delighted to invite you to attend *CCUS 2019 - The 5th China International CCUS Forum*. CCUS 2019 will take place on 17th May 2019 in Beijing, CHINA. This Forum is endorsed by Ministry of Science and Technology and Ministry of Ecology and Environment, P.R. CHINA, organized by the CTSA-CCUS and China Energy Investment Corporation Limited.

Introduction of CTSA-CCUS:

China Technology Strategic Alliance for CO₂ Capture, Utilization and Storage Technology Innovation (CTSA-CCUS) was founded in 2011, all members come from nearly 40 enterprises, universities and scientific research institutions.

The board members are China Huaneng, China National Petroleum Corporation (CNPC), Sinopec Group and CHN ENERGY. The main purpose of the alliance is to play a key role in responding to climate change, focusing on collaborative innovation of the key common technologies of CO₂ Capture, Utilization and Storage and improving China's core competitiveness and independent innovation in this area. More information on chinaccus.org

The event will cover a wide range of issues related to CCUS including global policy and regulation, project demonstration, R&D technologies on the whole CCUS chain. The forum will be held on following sessions:

- Launch Ceremony: *Roadmap for Carbon Capture Utilization and Storage Technology Development in China (2019)*
- Global Policies and Regulations on CCUS
- Carbon Capture
- Carbon Utilization
- Carbon Storage, Monitoring and Transportation

We hope you are able to accept this invitation and look forward to hearing from you. It would be a pleasure to welcome you to our event. Please fill the Registration Form and send it back before 14th April to 12010716@chnenergy.com.cn.

Please be aware that the accommodations are arranged by the organizer, all the travel expense, accommodations cost and other related expenses will be borne by attendees. Additional information about the CCUS 2019 and its programme will soon be available at the official registration website. We will offer an individual invitation code to each invited participants for free registration after we received the filled registration form.
