

<b>Position Title</b>	Consultant Economics
<b>Business Unit</b>	Commercial
<b>Manager</b>	Principal Consultant Economics
<b>Direct Reports</b>	N/A
<b>Location</b>	Australia or England
<b>Role type</b>	1.0 FTE
<b>Significant relationships</b>	Liaise and engage with <ul style="list-style-type: none"> <li>■ Client Engagement team to undertake delivery of Member services and fee for service work;</li> <li>■ Advocacy team to promote thought leadership outputs and to support advocacy activities; and</li> <li>■ Commercial team, Members and clients to delivery commercial outcomes.</li> </ul>

## Position purpose

The Consultant Economics operates globally and is responsible for providing Member services, producing thought leadership reports, supporting advocacy activities and delivering thought leadership and fee for service work to achieve revenue targets.

## Key responsibilities

- Deliver consultancy services to clients, at the agreed utilisation rate, contributing to overall revenue targets
- Provide market-valued, authoritative insights and analysis to Members and clients by maintaining and using deep knowledge of CCS technology, markets, trends, industry practices, regional, global and subject matter developments
- Produce, edit and publish materials about CCS issues, conveying information appropriately for intended audience and medium
- Deliver high-quality work products to meet and exceed expected timeframes, budget (costs and margins) and Member and client satisfaction
- Contribute to advocacy activities, including thought leadership outputs
- Contribute to growth of the Institute's commercial business by contributing to the development of proposals for fee for service work and participating in business planning activities
- Maintain and comply with commercial related system process and procedure requirements, such as accurate and timely data input
- Other duties as required

## Skills and experience

### Essential

- Strong technical writing skills
- Demonstrated research and analytical skills
- Relevant experience, ideally in a global consulting or engineering organisation with a matrix structure
- Relevant tertiary qualification

Desirable

- Demonstrable commercial acumen

## Values

Our Values underpin the way we do things at the Institute and guide us internally in our day-to-day work. The following Behavioural Competencies align with Our Values with the aim to amplify each aspect and are essential to ensure the achievement of Our Mission.

**Collaboration** - We work cooperatively and our teamwork goes beyond organisational and geographic boundaries to achieve exceptional results.

**Quality** - We strive for excellence in all that we do. We are a trusted, knowledgeable and responsive organisation known for exceptional advice and service delivery.

**Integrity** - We hold ourselves to the highest standards in all we do. Our actions and communications are responsive, ethical and respectful of diversity.

**Collective Strength** - You actively develop and leverage the Institute's collective strength by

- Honouring and acknowledging your colleagues' skills, strengths, and contributions.
- Building meaningful relationships on a foundation of trust, mutual respect, appreciation and empathy with colleagues, Members, clients, and partners.
- Facilitating people and ideas coming together beyond hierarchical and organisational boundaries through effective communication, knowledge sharing, and proactively seeking input.
- Exhibiting dedication to our purpose, your role, and what we can achieve together.

**Accountability** - You hold yourself and others accountable by

- Taking personal responsibility for deliverables.
- Keeping a focus on delivering outputs that are accurate, timely, and of a high standard.
- Acknowledging ownership and accountability to promote solutions.
- Identifying areas for improvement across the Institute and appropriately providing feedback to those responsible.

**Growth Mindset** - You seek ways to continuously learn and improve by

- Fostering an environment open to diverse ways of thinking and operating.
- Seeking, providing, and responding to feedback in a productive and respectful manner.
- Recognising the limits of your own experience and skills and taking proactive steps to grow them.
- Embracing failures, challenges, and setbacks as opportunities for growth and learning.
- Engaging in honest self-reflection and actively applying lessons learnt.
